

## **Substantiation Statement**

**for Alinta Sales Pty Ltd**

**trading as Alinta Energy**

**18 August 2014 (30 days after 17 July)**

Alinta Sales Pty Ltd is a gas retailer under the Energy Coordination Act 1994 (WA).

The retail activities include retailing gas to the following classes of customer:

1. Tariff based residential and small commercial customers;
2. Commercial customers with individually negotiated contracts; and
3. Wholesale commercial customers with individually negotiated contracts.

You are a customer in Group 1 if you are a residential customer or a small business located in Western Australia and your gas supplier is Alinta Energy.

For customers in Group 1, the annual average dollar price basis for these cost savings for the year 2014-15 we approximate to be \$1.58/GJ.

You are a customer in Group 2 if you have a commercial site in Western Australia and have signed a gas supply contract with Alinta Energy.

For customers in Group 2, the annual average dollar price basis for these cost savings for the year 2014-15 we approximate to be \$1.44/GJ.

You are a customer in Group 3 if you have a commercial site in Western Australia, have signed a gas supply contract with Alinta and you have assumed responsibility for direct carbon liability either by the quotation of an OTN or through an alternate means available under the carbon tax legislation.

For customers in Group 3, the annual average dollar price basis for these costs savings for the year 2014-2015 we approximate to be \$0.074/GJ.

It is noted that savings for individual customers will vary depending on individual circumstances.
