

Substantiation Statement

For Alinta Energy Retail Sales Pty Ltd

18 August 2014 (30 days after 17 July)

Alinta Energy Retail Sales Pty Ltd is an electricity retailer under the National Energy Retail Law (South Australia) Act 2011 (SA), the Electricity Industry Act 2000 (Vic), and the Electricity Act 1994 (Qld).

The retail activities include retailing electricity to the following classes of customer:

1. Tariff based residential and small commercial customers; and
2. Commercial customers with individually negotiated contracts.

You are a customer in Group 1 if you are a residential customer or a small business located in South Australia and Victoria and your electricity supplier is Alinta Energy.

For customers in Group 1, the annual average dollar price basis for these cost savings for the year 2014-15 we approximate to be 2.29 cents /kWh.

You are a customer in Group 2 if you have a commercial site in South Australia, Victoria, New South Wales or Queensland and have signed an electricity supply contract with Alinta Energy.

For customers in Group 2, the annual average dollar price basis for these cost savings for the year 2014-15 we approximate to be 2.29 cents / kWh.

It is noted that savings for individual customers will vary depending on individual circumstances.

For individually negotiated contracts, your savings may vary from this amount depending on your negotiated carbon intensity.

For customers with carbon inclusive contracts, your rates payable will not be affected by the current change of law and you will continue to enjoy your fixed price for the term of your contract.
