This rate is applicable from 25 February 2016 and is available for eligible Victorian Residential and Small Business customers.

Variations in tariffs and other charges

The Feed-in Tariff may be subject to change from time to time. If the Feed-in Tariff changes we will advise you of the variation as soon as practicable and in any event no later than your next bill or in accordance with applicable laws and codes.

4. Checklist - Have you included the following?

- This system confirmation form, with all relevant sections completed
- Proof of compliance with Australian Safety Standards (eg a copy of your Certificate of Electrical Safety, which your installer should be able to provide)
- Proof of your distributor’s approval for permission to connect a Small Embedded Generator (SEG) (such as a copy of your Application for PV SEG (Small Embedded Generator) Approval Reference form to Energy Safe Victoria which covers your right to export electricity into the distribution network. Please note: This will normally be submitted by your installer on your behalf.

5. Agreement

By submitting this system confirmation form you accept and acknowledge the following matters:

- It is your responsibility to ensure that any electrical work that is needed to accommodate your new tariff is carried out at the appropriate time.
- Prior to submitting this system confirmation form, you have read a copy of the appropriate Victorian Solar Feed-in Tariff Scheme Terms and Conditions published by us pursuant to section 40G of the Electricity Industry Act 2000 (VIC) (which is available on our website) and that you understand and provide your Explicit Informed Consent when entering and agreeing to those terms and conditions.
- The Feed-in Tariff you receive for solar generated electricity fed into the grid will be set out in the document statement titled "Solar Feed-in Tariff rates" and published on our website. You give your Explicit Informed Consent that your Feed-in Tariff can change from time to time, in-line with the applicable regulations. If the Feed-in Tariff does change you will be notified on your next bill or as required by the applicable regulations.
- It is your responsibility to ensure that your metering configuration complies with applicable regulations and that this agreement will not commence unless and until you have complied with the applicable regulations.
- Your Feed-in Tariff agreement will commence once we have confirmed your eligibility to receive the relevant Feed-in Tariff.
- If you have completed this form without supplying us with an Australian Business Number this constitutes a representation that the electricity that you sell or supply to us is not sold or supplied to us in the course of your business and is of a wholly private and domestic nature.
- You have enclosed a copy of the Certificate of Electrical Safety and the Electrical Work Request.
- You agree that you are aware of and comply with all applicable provisions of the distribution code.

6. Authorised Signature/s

A person who signs on behalf of another warrants that they have authority to bind that other person.

Name of Authorised Person / Purchaser:

Signature: Date:/...../.....
