### Application Process

The application to become a sensitive customer can only be processed if you provide the details requested above. This information allows Alinta Energy to reasonably determine whether your organisation qualifies as a sensitive load customer. Completing this application form does not necessarily guarantee your organisation will be listed as a sensitive customer.

### Acknowledgement

By signing this form, I acknowledge that:

- (a) I am authorised on behalf of the organisation to make this application;
- (b) I have read and understood the information in this application to become a sensitive customer;
- (c) Completing this application does not guarantee that the organisation will be registered as a sensitive load customer; and
- (d) the information provided is complete and accurate to best of my knowledge.
