We're here to support you

We recognise that family and domestic violence (family violence) is a serious and widespread occurrence in our society. We are committed to supporting customers who are experiencing family violence with empathy and sensitivity. We will ensure the security and privacy of your account information and financial circumstances.

What is Family and Domestic Violence?

The Australian Government defines family violence as any behaviour that is violent, threatening, controlling or intended to make you or your family feel scared and unsafe (Unwanted Behaviour). Family violence is not perpetrated only through physical violence. It may also include, but is not limited to, the following kinds of Unwanted Behaviour:

- a. sexual
- b. emotional or psychological
- c. verbal
- d. spiritual or cultural
- e. economic or financial
- f. technological
- g. social

Our Training

Your safety is our priority.

We understand that family violence is complex and sensitive. That's why we train relevant staff to understand the potential severity and consequences of family violence, treat you with respect and provide you with practical support. Training includes:

- a. how to identify the signs of family violence,
- b. how to engage effectively and appropriately with affected customers
- c. how to apply this policy

Training is delivered to staff who:

- a. engage with customers;
- b. manage, train or otherwise direct staff who engage with customers; and
- c. are responsible for the development and deployment of relevant products, processes and systems.

Your Account Security & Privacy

We are committed to the security of your personal information and will engage with you to determine your preferred methods of communication. You may:

- a. provide us with more than one preferred communication method;
- b. ask us not to use a particular method to contact you; and
- c. change your preferred contact methods at any time.

We understand it may be difficult for you to safely or conveniently speak with us. You can therefore authorise us to liaise with the support person of your choice, who may be:

- a. a financial counsellor.
- b. someone who helps you manage your energy bills; or
- c. anyone else you deem appropriate.

To authorise a support person:

- contact us on **1300 920 557** to add your support person;
- request a 'Letter of Authority', which will allow you to detail who your support person is, and when we may speak with them.

We will then work with your support person in line with your authority.

If you wish to have our 'Letter of Authority' form sent to you via email or in the post, please contact us on **1300 920 557** or email us at **wc.hardship@alintaenergy.com.au**

Once completed, please return this form to us.
