We can take the hassle out of paying your Alinta Energy bill with our easy payment options.

Choose from these flexible options

The total amount of your Alinta Energy bill is paid automatically from your nominated bank account or credit card each quarter. It's a hassle-free way to pay your bill!

Moving home? Lighten the load

Are you planning a house move or just want to give your home a make-over? It could be time to lighten your load by removing those bits and pieces that have been lingering in your home, taking up space and leaving you feeling overwhelmed. Here are a few tips to help lighten your load:

1. If you haven't used an item in the past year consider giving it away or selling it.
2. If you don't need it or you don't love it, let it go. Let your less-than-loved possessions find a new home.
3. Be aware of the sentimental stuff you might be holding onto. Treasure the important things and let the rest go.

If you're moving house soon, let us know and we'll connect the gas at your new home by the next working day*.

Top tips for a warm and cosy home

With the cooler weather on the way, now is a good time to think about making your home warm and cosy. Here are a few easy ways to help prepare your home for the coming winter.

Check it out

Book a service to make sure that your gas appliances, such as your heater or fireplace, are dust-free and running safely and efficiently in your home.

Mind the gaps

To keep cold and uncomfortable drafts out of your home, check your doors, windows and floorboards are well sealed.

Start slow cooking

Dust off your slow cooker and cook up your family favourites or try out some new recipes that can warm you from the inside out.

Win a Kitchen Warehouse Gift Card

Stock up on all your winter kitchen essentials with your chance to win **1 of 10 \$100 Kitchen Warehouse Vouchers.**

Competition closes Sunday 27 May 2018. Terms and conditions apply.

Option 2 – Bill smoothing

An estimate of the total cost of your annual gas account is split into 12 equal monthly payments, which are deducted automatically from your nominated bank account or credit card each month. It's a great way to budget!

With both of these easy payment options, you'll still receive your quarterly Alinta Energy statement so you can track your gas usage. If you would like to talk about your bill payment options please call one of our friendly Customer Service Consultants on 13 13 58.
