## Ways to stay warm and save this Winter

It's hard not to rely on your heater as the weather gets colder – unfortunately this can have a big impact on your bill! Be energy efficient this winter with the below tips.

- Make the most of the sun's natural warmth during the day by opening your south and west facing windows. Close your windows as soon as it starts to set.
- Dedicate a weekend to sealing up doors, windows and any gaps where cold air can get in. Place a rug down on the floor to trap heat.
- In the long-term, consider double-glazing your windows or investing in under-floor insulation to prevent heat from leaking out.
- Throw on a blanket or thick jumper instead of turning on your heater. When you do put it on, set your heater to 18-20 C maximum, or use a space heater to warm only the room you're in.
- Maximise the benefits of your heater by drying damp clothes in the rooms you're heating, instead of putting another load in the clothes dryer. But make sure you never rest anything on the heater itself.
- Whilst tempting, avoid having hot showers longer than 3-5 minutes. Utilise your bathroom's infrared heat lamps while you dry off.
- If you're no longer using your pool in winter, adjust your filter settings so that it's only running for 2-4 hours a day during off-peak, half the time needed in summer.

**Moving home  
this winter?  
We'll make it easy.**

### Move in minutes online

It's easy to move your account online. Just give us a few details and we'll take care of the rest at [alintaenergy.com.au/moving-home](https://alintaenergy.com.au/moving-home)

### Gas-On guarantee\*

Give us one business days' notice and we'll make sure the gas is connected at your new home.

\* Terms and conditions apply. See [alintaenergy.com.au/wa/natural-gas/natural-gas-connection/moving-home/terms-and-conditions](https://alintaenergy.com.au/wa/natural-gas/natural-gas-connection/moving-home/terms-and-conditions) for more details.

# Win a family pass to see The Angry Birds Movie 2™

The flightless angry birds and the scheming green piggies take their beef to the next level in The Angry Birds Movie 2! When a new threat emerges that puts both Bird and Pig Island in danger, Red (Jason Sudeikis), Chuck (Josh Gad), Bomb (Danny McBride), and Mighty Eagle (Peter Dinklage) recruit Chuck's sister Silver (Rachel Bloom) and team up with pigs Leonard (Bill Hader), his assistant Courtney (Awkwafina), and techpig Garry (Sterling K. Brown) to forge an unsteady truce and form an unlikely superteam to save their homes.

In cinemas 12 September 2019.

We have 30 family passes (admit 4) up for grabs.

To enter visit [alintaenergy.com.au/angrybirds2](http://alintaenergy.com.au/angrybirds2)

Competition closes Sunday 8 September 2019 – don't miss out!

## Slow Cooker Chicken Noodle Soup

Ward off the lingering winter chill and fit in your daily 5 servings of veggies with this classic chicken noodle soup. Best of all, put it on to cook in the morning and it's ready to eat in minutes after you walk in the door.

### Ingredients

- 1kg chicken-breast or thigh
  - 3 carrots, chopped
  - 1 onion, chopped
  - 2 potatoes, chopped
  - 3 tsp garlic, crushed
  - Dried thyme and rosemary to season
  - 1 ltr chicken stock
  - 1 ltr water
  - 250g pasta
1. Add the chicken, onions, carrots, potato, garlic, thyme, and rosemary to your slow-cooker and season with pepper. Pour in chicken stock and water.
  2. Cover and cook on a low setting for 6-8 hours.
  3. Remove the chicken and shred with 2 forks.
  4. Return the chicken to the slow-cooker and add pasta.
  5. Cook on high for 15-20 minutes or until pasta is soft. Serve and enjoy!

### Great gas offers

Settle into your new home and enjoy great value with one of our great gas offers.

### Dedicated movers hotline

Need to get in touch before, during or after your move? Call our local team directly on **1800 443 138**.

### WA based local service

We know WA gas like no other and we'll be here to help you with all your gas needs at your new place.

# People power

Every one of our employees plays an important part in our ongoing commitment to providing exceptional service to our customers.

## **Tracy Ransfield,** Administration Officer, Power Generation

### **Tell us about what you do?**

I'm the Office Administrator based at Port Hedland Power Station. My role involves managing and distributing information within the office, travel bookings, assisting with outages, accounts, calendar appointments, event organising etc. I also provide support to the Plant Manager and approximately seven other team members.

### **What do you enjoy most about your role and working for Alinta Energy?**

I really enjoy working with the great team in Hedland. Having their support and understanding creates a great work environment. I have also built good working relationships with other site and corporate Alinta Energy employees which makes me feel part of the wider team throughout the business.

### **Tell us something you love about WA and why?**

Coming from New Zealand and living in Kalgoorlie for four and a half years before moving to Hedland has been challenging, rewarding and exciting. The Pilbara has so much to offer. My family and I love to camp, fish and explore the region.

I also enjoy giving back to the community, by providing food every Sunday for "those in need". This is very rewarding to me and my family, as we've been able to provide food for the community, especially for the young children and elders.

An advertisement for Alinta Energy's Free Gas competition. The background is a collage of colorful banners with text like "CONGRATULATIONS", "WINNER", "\$1000", and "\$100". The main text is on an orange banner.

**For a competition that's not too good to be true...**
